SRI SRI ANIRUDDHADEVA SPORTS UNIVERSITY

Vice Chancellor's Report

I am pleased to present the Annual Report of Sri Sri Aniruddhadeva Sports University (SASU) for the year 2023-24. At SASU, we are driven by a vision to establish a knowledge-based society through innovative educational systems and high-level research in the field of sports and physical education.

The Vision and Mission: Our vision encompasses the creation of a healthier and more physically active society through quality education, character building, and ethical leadership. We aim to nurture a pursuit of knowledge, wisdom, and truth among our learners, preparing them for fulfilling employment and societal contributions.

Quality Policy: SASU is committed to providing excellent education, training, and research opportunities to all stakeholders. Through innovative teaching techniques and continuous improvement in physical education and sports activities, we strive to achieve knowledge networking and competency development.

SASU at a Glance: Named after the Vaishnava saint Sri Sri Aniruddhadeva, SASU is the first sports university in the North East region of India. Situated in Chabua, Dibrugarh, our university is dedicated to offering quality education in sports sciences, physical education, and related fields.

Objectives: Our objectives include becoming a renowned center for advanced studies in Physical Education and Sports Sciences and providing specially designed academic and training programs aligned with the National Education Policy (NEP) 2020.

Governance Structures: SASU operates through multi-level governing bodies including the Court, Executive Council, Academic and Activity Council, Finance Committee, and Board of Studies, ensuring effective decision-making at strategic, tactical, and operational levels.

Meetings of the Governing Bodies: Throughout the year 2023-24, various governing bodies convened meetings to discuss and decide on key matters related to the university's administration, academic affairs, financial management, and curriculum development.

Academic Programs: In adherence to NEP 2020, SASU launched its first 4-Year Bachelor of Physical Education program, offering students a comprehensive curriculum with options for one major and one minor area specializations and research projects."

Strength of the University: With sanctioned and proposed positions for teaching and non-teaching staff, SASU is poised for further growth and development. New appointments, along with faculty attachments and guest lectures, enrich our academic environment.

Digital Initiative: Sri Sri Aniruddhadeva Sports University is committed to leveraging technology to deliver top-notch education and administrative services. In line with this commitment and to adhere to the mandates of the NEP 2020, the University has embraced digital transformation through the Samarth E-Gov suite. This initiative aims to streamline administrative processes and enhance operational efficiency. Currently, the University utilizes various modules provided by Samarth, including Employee Management, Academic Management (covering student life cycle, examinations, and feedback), and Recruitment (for both teaching and non-teaching positions). Regular webinar sessions conducted by the Samarth team further facilitate the effective utilization of these modules, ensuring that the University stays at the forefront of digital innovation in education management.

Viksit Bharat@2047: As part of the "Viksit Bharat@2047" initiative, SASU organized consultation programs and established a dedicated cell to raise awareness among students about national development schemes.

Campus Construction and Developments: Progress continues in constructing the university campus, with efforts focused on infrastructure development, academic resources, and amenities to enhance the learning experience for our students.

The Sri Sri Aniruddhadeva Sports University remains committed to its mission of promoting excellence in sports education and research. With a dedicated team of faculty and staff, supportive governance structures, and ongoing developments, we are poised to achieve our vision of a healthier and more active society.

Acknowledgement: I extend my profound gratitude to the Hon'ble Chancellor, Sri Gulab Chand Kataria ji, for his exceptional leadership and guidance, which have been instrumental in shaping the trajectory of Sri Sri Aniruddhadeva Sports University. Our heartfelt appreciation goes to the esteemed members of the Court, Executive Council, and Academic Council of the University, whose collective wisdom has steered us towards excellence. Additionally, we acknowledge the unwavering support and collaboration of the Department of Sports, Government of Assam, and its officials, alongside the dedicated faculty and administrative staff of the university. It is through your collective efforts that our university continues to thrive and fulfill its mission of advancing sports education and research.

Prof. J. P. Verma
Vice Chancellor

SRI SRI ANIRUDDHADEVA SPORTS UNIVERSITY AT A GLANCE

Sri Sri Aniruddhadeva Sports University is named after a Vaishnava saint who was a social reformer in Assam during the medieval period. It is the first sports university in the North East region of India, established by the State Government in the city of Chabua, Dibrugarh. The university aims to provide quality education in sports sciences, physical education, and related fields. It was established by the Assam Legislative Assembly (No. LGL. 164/2018/7) and received the Governor of Assam's assent on December 10, 2018.

The primary objective of the university is to prepare top-tier sports scientists, physical educationists, sports coaches, and high-class researchers in areas such as sport psychology, exercise science, sports biomechanics, sports medicine, sports physiotherapy and health education, sports technology, and sports analytics. The university also plans to create world-level infrastructure for training elite athletes to enhance India's medal tallies in international sports competitions and tap into untapped talent from Assam and neighboring states through outreach programs. The university intends to be at the forefront of sports development in Assam and help the state contribute to India's becoming the sporting powerhouse of the world.

The campus is proposed to be constructed with green buildings to maximize environmental, economic, and social benefits by enhancing and protecting biodiversity and ecosystems, improving air and water quality, and reducing waste streams to conserve and restore natural resources.

The university operations and infrastructure development have been planned in a phased manner. Within three years, its substantive activities will be in place, and within ten years, the entire project is proposed to be completed with full functionality of all proposed sports activities.

The university came into force on June 22, 2020, by the Act No. XXIX of 2018 of the State Legislature of Assam, with the effect from the date of joining of the first Vice Chancellor, Prof. J. P. Verma.

The university has also been included in the list of universities established as per section 2(f) of the UGC Act, 1956, and is empowered to award degrees and Ph.D. as specified by the UGC under section 22 of the UGC Act, 1956.

This annual report of the university captures the major events and announcements made during the year 2023-24 (April 2023 to March 2024) and lists other important information regarding the university during this year.

DEVELOPMENTS

Installation of two Smart Digital Boards

The University has successfully installed two smart digital boards, one in our classroom and one in the office chamber of the Hon'ble Vice Chancellor. This latest addition to our educational facilities is aimed at enhancing the learning experience and fostering interactive teaching methodologies.

The digital board offers a range of features including interactive touch functionality, high-definition display capabilities, and seamless connectivity with various devices. With this advanced technology in place, our faculty members will have innovative tools to engage students, facilitate collaborative learning, and present dynamic multimedia content.

We believe that the introduction of this digital board aligns with our commitment to providing a modern and conducive learning environment for our students. It reflects our dedication to staying at the forefront of educational technology and ensuring that our students have access to the resources they need to succeed.

We encourage both faculty members and students to explore the possibilities offered by this new digital board and incorporate it into their teaching and learning activities.

Library Books

To establish a streamlined process of acquiring books that align with the diverse interests and academic needs of our library users, the University have empanelled vendors for supply of Library books which contributes to the academic and intellectual enrichment of our users. By establishing partnerships with reliable vendors, we ensured the availability of high-quality books that cater to the diverse interests and learning needs of our students. Accordingly in the year 2022-23, the University procured 1085 books for Library. Subsequently, in the year 2023-24, books have been ordered as per the requirement of the course and students and it is under process.

Apart from the above amenities, many other items have been purchased by the University during the year 2023-24 for smooth functioning of the academic as well as administrative activities.

Computer Laboratory

A computer laboratory has been developed at the university study center to enhance educational resources and facilitate digital learning opportunities. The initiative was undertaken to modernize infrastructure, promote technological literacy, and support academic endeavors at the study center.

The establishment of the computer laboratory at the university study center represents a significant role in advancing educational resources and promoting digital literacy within the academic community. The computer laboratory will continue to serve as a vital hub for teaching, learning, and research activities, empowering students and faculty to excel in their academic pursuits.

Construction of temporary Conference Hall in the Study centre

The University constructed a temporary conference hall in the study center of the University in the premises of DHSK College, Dibrugarh, offering a versatile space for hosting a range of events, meetings, seminars, and conferences.

This temporary construction shall provide a valuable resource for hosting diverse events and contributes to the center's mission of fostering learning, collaboration, and community engagement.

Procurement of Gym Equipments

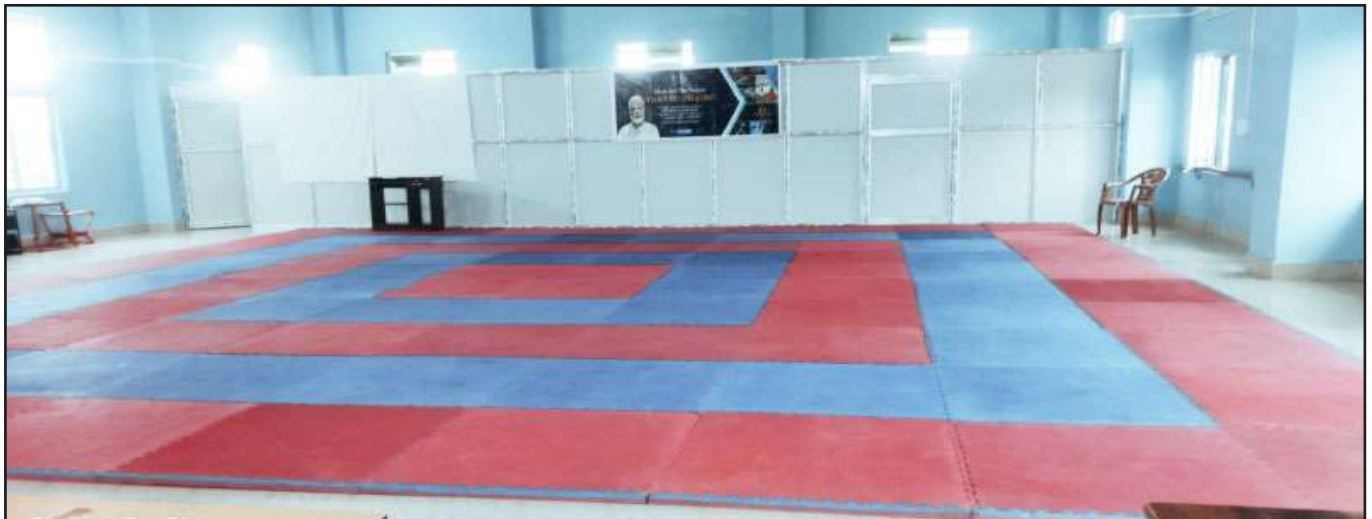

During the year 2023-24, the University procured some gym equipments to enhance the fitness facilities to our students.

The objective of this procurement initiative is to provide students with access to high-quality gym equipment to support their physical well-being and promote healthy lifestyle choices. Providing students with access to well-equipped fitness facilities aligns with our commitment to promoting holistic student development.

By investing in gym equipment, we empower students to prioritize their physical health and well-being. The following equipments have been procured by the University as of now:

- Free weights (dumbbells), ● Bench press, ● Medicine balls, ● Yoga Mat, ● Kabbadi Mat, ● Steppers, ● Goniometer

Other amenities and development

Table Tennis, Rackets, Football, volleyball, etc have also been purchased for conducting the practical classes of the 4-Year Bachelor of Physical Education (Hons./Hons. with Research) program. Volleyball and football fields are also developed by the University at DHSK College premises for conducting practical classes.

Procurement of University Bus

During the year 2023-24, the university procured a mini-bus for institutional use, funded under the National Education Program (NEP) budget. The aim of this purchase is to enhance transportation facilities for students, faculty, and staff, aligning with the broader objectives of improving educational infrastructure. Under the NEP budget allocation for infrastructure development in educational institutions, a portion was designated for

enhancing transportation facilities. Recognizing the need for improved mobility for off-campus activities such as field trips and academic events, the decision was made to procure a mini-bus.

A competitive bidding process was initiated to select the vendor for supplying the mini-bus. Invitations for bids were floated through GEM (Government e Market place) portal emphasizing the requirement for a vehicle meeting specified criteria including capacity, safety features, fuel efficiency, and after-sales support.

Throughout the procurement process, quality assurance measures were implemented to ensure that the selected mini-bus meets the specified standards and safety requirements. Pre-delivery inspections and testing protocols were conducted to verify the vehicle's performance and functionality.

The procurement process was conducted transparently, ensuring compliance with regulatory requirements and optimizing value for the allocated funds. Going forward, the university is committed to ensuring the efficient operation and maintenance of the mini-bus to maximize its utility and benefit to the academic community.

The Mini bus have a seating capacity of $(24+1) = 25$ Nos and of Model CRUZIO 3370WB OBD2 from Mahindra and Mahindra Limited amounting to Rs. 20,62,300.00.

Construction of Temporary Shed for parking of Office Vehicle and University Bus

The University constructed a temporary shed in the administrative office at DICC Building, Dibrugarh for parking the university office vehicle and mini-bus. The project was financed through the university contingency fund to address the immediate need for sheltered parking facilities and ensure the protection and maintenance of university vehicles. The temporary shed will continue to serve its intended purpose, contributing to the smooth functioning of administrative operations and ensuring the longevity of university vehicles.
