To fulfill this dream the University signed an MoU with the INFLIBNET (an organization of UGC, New Delhi, Ministry of Education Govt. of India) for designing, developing, hosting, and maintaining a website of the University along with the development of an online platform for various University activities such as online admission system, faculty life cycle, staff profile, student lifecycle (admissions, academics, student admin services), expert panel database, academic management system, examination portal, online payment system, the online platform for LOGO / Flag design competition, learning management system, placement cell, and alumni management. These systems are proposed to be developed, commissioned, and maintained in a phased manner during the three-year time frame.

Acknowledgment: I personally acknowledge the guidance and wholehearted support and encouragement received from the Hon'ble Chancellor Prof Jagdish Mukhi. I would like to record my special thanks to the members of the Executive Council of the University. I would also like to thank the Department of Sports and its officials for full-fledged support and encouragement to the University. All the activities of the University take place with the wholehearted cooperation and support of all the stakeholders: our faculty, students, and staff; funding agencies, professionals, and experts who assist us in different capacities. The academic and administrative support extended by the faculty and administrative staff is gratefully placed on record. I also extend my appreciation to the students for their valuable co-operation.

Finally, I thank all the people who have helped us in bringing out this Annual Report.

Prof. J. P. Verma
Vice Chancellor

SRI SRI ANIRUDDHADEVA SPORTS UNIVERSITY: AT A GLANCE

Sri Sri Aniruddhadeva Sports University is named after a great Vaishnava saint who was a social reformer in Assam during the medieval period. This is the first Sports University of Assam established by the State Government in the city of Chabua, Dibrugarh. The University is focused on quality education in the area of sports sciences, physical education, and its allied areas. It was established by the Act of Assam Legislative Assembly (No. LGL. 164/2018/7) which received the assent of the Hon'ble Governor of Assam on 10th December 2018.

The primary aim of this University is to prepare top-tier sports scientists, physical educationists, sports coaches, and high-class researchers in the area of sport psychology, exercise science, sports biomechanics, sports medicine, sports physiotherapy, health education, sports technology, and sports analytics. The University intends to prepare professionals as well as sports entrepreneurs keeping in mind the competitive global job market.

The University also plans to create world-level infrastructures for training elite athletes for enhancing medal tallies for India in International sports competitions. At the same time, it intends to reach out to the people of Assam and neighbouring states for garnering untapped talent. Through its outreach programs, the University will be encouraging the masses to be physically active and making sports a way of life. Sri Sri Aniruddhadeva Sports University intends to be at the epicenter of sports development in Assam and help the state contribute to India becoming the sporting powerhouse of the world.

The campus is proposed to be constructed with green buildings for maximizing environmental, economic, and social benefits in order to enhance and protect biodiversity and ecosystems with improved air and water quality, and reduced waste streams to conserve and restore natural resources.

The Assam Sri Sri Aniruddhadeva Sports University Act, 2018 (Assam Act No. XXIX of 2018) came into force and became functional w.e.f. from the date of the joining of Prof. J.P. Verma, the first Vice Chancellor of Sri Sri Aniruddhadeva Sports University on 22nd June 2020 through notification no. SYW.182/2019/93, dated 24th December 2020.

The University has also been included in the list of the Universities established as per section 2 (f) of the UGC Act, 1956, and is empowered to award degrees as specified by the UGC under section 22 of the UGC Act, 1956.

This Annual Report of the University contains the details about the University its functioning authorities and the major events and announcements made during the year 2020-21 (April 2020 to March 2021).

FUTURE ACTIVITIES OF THE UNIVERSITY

The University proposed to work on four different verticals as listed below to fulfill its objectives:

Teaching and Research

The main objective of this sports University shall be the knowledge creation in the area of Sports Science, Physical Education, and its allied areas at par with the global standards for acceptability of our trained professionals worldwide. The focus would be on creating a conducive environment for conducting high-level research and providing consultancy to all stakeholders for becoming financially self-sufficient and making a healthy and productive society.

Elite Sports Development

The sports and other infrastructures in the University are proposed to be at par with world standards so as to provide specialized training to the athletes. The University will have the club models prevalent in different countries to develop high-performing athletes. The sports infrastructures so created in the University will be utilized after the scheduled classes of the University programs by the clubs in different sports to train the elite sports persons for competing in the top-class tournaments for enhancing medal tallies of the country. These clubs will have mentors as top-class coaches and decorated sportspersons with medals. The University will encourage industries for sponsoring these sports clubs.

Nurturing Sporting Talents

The University will start summer camps on the campus for the children starting from seven years onward to expose the different sports activities. After screening those children having sporting talents will be given admission to sports academies in different sports in which their sporting skills

will be nurtured throughout the year. Talent election in different sports shall be done by using a scientific system of screening using the software. One such system has been developed indigenously known as Talent Identification System in Sports the glimpse of which can be seen at www.tiss.net.in. Several other measures will be incorporated in different schools of Assam for nurturing sporting talents in different sports.

Community Sports and Fitness for Healthy Society

To encourage Community Sports and motivate people to stay fit several initiatives shall be made by the University. Such measures include providing sporting infrastructure in different communities for encouraging people to play, developing existing parks in different cities as fitness parks managed in PPP mode, adopting villages, and running community radio. The University will provide the manpower to different centers for coaching different sports at the community level. Several skill development programs in the area of aerobics, fitness center management, fitness training, sports nutrition, sports medicine, sports analytics, yoga, sports journalism, etc. shall be initiated in the University for making the incumbent an entrepreneur.
