

Republic Day Celebration 2025

Sri Sri Aniruddhadeva Sports University (SASU) marked the 76th Republic Day with a special celebration at its study centre, where the Vice Chancellor congratulated staff and students, emphasizing the significance of national unity and progress.

In collaboration with the Sports and Education Departments of the Government of Assam, SASU launched an exclusive exhibition stall at the Republic Day parade venue in Dibrugarh. The stall highlighted the university's academic and sports programs, upcoming initiatives, and campus development projects. It served as a platform to engage with the public, generating awareness about SASU's vision and future plans.

The event was of special significance as Hon'ble Chief Minister of Assam, Dr. Himanta Biswa Sarma, hoisted the national flag in Dibrugarh for the first time. The SASU stall attracted thousands of visitors, including army personnel, government officials, political leaders, and members of the public, many of whom inquired about the university's programs and opportunities for collaboration.

The occasion was graced by senior SASU officials, including Prof. Jogiswar Goswami (Dean), Mr. Pankaj Borthakur (Registrar), and Mr. Arinjit Hazarika (Controller of Examinations), alongside faculty members Dr. Limbu and Dr. Mridusmita. The dedicated efforts of Mr. Monuj, Mr. Anjan, Ms. Rina, and Ms. Udita contributed to the event's success.

The university's participation in the Republic Day celebrations reinforces its commitment to sports education, community engagement, and academic excellence. SASU aims to create a dynamic learning environment that nurtures future athletes, educators, and leaders, contributing to the state's and the nation's sporting ecosystem.
