

Special Lecture on Development of Research Problem

A special lecture was organized by the School of Human Kinetics and Health of Sri Sri Aniruddhadeva Sports University (SASU) in collaboration with the Vikshit Bharat@2047 Cell of SASU on 13th March 2024. The event took place at the SASU Study Centre, DHSK College, Dibrugarh.

The session was graced by hon'ble Vice Chancellor Prof. J. P. Verma, a distinguished academician renowned for his expertise in Physical Education and Sports, particularly in the field of Sports Statistics. Prof. Verma delivered an insightful and thought-provoking lecture on the topic, **“Development of Research Problems in Physical Education.”** His comprehensive approach and deep knowledge left the students inspired and eager to explore the subject further.

The event was attended by Prof. Jogiswar Goswami, Dean of the School of Human Kinetics and Health of SASU, along with faculty members and first-semester students of the BPE (Hons. / Hons. with Research) program. The lecture provided a valuable learning experience, enriching the academic environment with new perspectives on research in physical education.
